

ClockRite

Time and Attendance Specialists

C-860 Digital

Our C-860 digital clocking in machine has been manufactured and designed to very high standards to provide you with a robust and reliable time punch clock for the manual recording of your employee's attendance time.

This model is an intermediate level clock, ideally suited to companies that want a clocking in machine which can withstand harsh workplace environments if required.

Features:

- No configuration required, works straight from the box
- Clear digital time display
- Backlit display suitable for low lit areas
- Backup battery for when main power is unavailable (short term use only)
- 2 colour printing (**RED** for exceptions i.e. late clocking's)
- Fully automatic card feed for clocking in and out
- Allows for 6 clockings per employee per day
- Can be wall or desk mounted
- Anti-tamper proof with lockable lid with metal key
- Perpetual calendar
- Quiet Operation

Specification:
